Ulti

A 10 K Q J 9 8 7

Must follow and beat if possible, must trump and over trump if can't follow

10 points per A and 10
10 points for last trick

3 Players

32 Cards

Play to the right

Deal 12 to forehand and 10 to each other player.

Forehand discards 2 cards into the talon and makes a bid.

To the right, other players may add the talon to their hand, discard 2 cards back into the talon and make a higher bid.

When a player makes a bid and the other 2 pass, the game is played with the bid winner vs the other 2 players

Before play, Marriages can be declared (KQ of same suit) for 20 points, or 40 points if Trump Marriage.

Winning the last trick with the 7 of trump is an Ulti

Games:

Simple Game: Declare trump suit (not Hearts) and win more than half points (including Marriages in score total)

Hearts Game: Declare Hearts as trump and win more than half points (including Marriages in score total)

Ulti: Declare to win the last trick with the 7 of trump (must be added to another bid/game)

100: Declare a Marriage and attempt to win at least 100 points. 40-100 = Marriage is in trump, 20-100 = non-trump Marriage

Betli: Declare to lose all tricks with no trumps. When playing no trump, 10s go back between J and 9 in card order.

Durchmars: Declare to win all tricks. Can be played with trump or no trump. If no trump, 10s go back between J and 9 in card order.

Open: Play whatever bid declared as open with all cards face up and visible
